Aloha Dear Friends of West Maui:

I hope this note finds you and yours well. I am reaching out to you on behalf of the West Maui Improvement Foundation (WMIF). Our mission *is to improve the West Maui Community by receiving and expending funds for the erection and maintenance of public buildings and services as well as community facilities.*

*We have done what was said to be impossible when we privately funded and developed the Napili Fire and Ambulance Station over 20 years ago. Now the community has requested a “Hana Hou,” for a fire station in Olowalu for a repeat performance. Our community is remarkable and with God’s help we are making a way where there seemed to be no way. We should all be grateful for blessed opportunities to do good. It’s not about “Give to Get,” but to Celebrate that we “Get to Give.”*

On Sunday, October 23, 2022 we are holding our first fundraising event “Brunch by the Sea” to benefit the Olowalu Fire Station which West Maui Improvement Foundation is organizing. This will be a springboard for our second Gala Fundraising event which is set for January 7<sup>th</sup> at the Hyatt Maui. For Information on this project please visit <https://www.westmauiimprovementfoundation.org/olowalufirestation.html>.

We would appreciate your help: Please be a part of the solution. Alongside ticket sales to attend the event, the primary area we will be raising money through is a silent and live auction. **Would you be able to make a donation towards the auction?** Your gifts are tax-deductible, and you can request a receipt post-event and we will also be able to share how much the item raised.

For ticket purchases, you may visit <https://www.westmauiimprovementfoundation.org/olowalu-brunch.html>. Please do not hesitate to contact me directly if you have any questions.

We thank you in advance for your consideration.

Mahalo,

Joseph Pluta  
President
